LILLY MOSS - OFFICIAL PRESS RELEASE

JULY 31, 2026

LILLY MOSS EXPLORES LOVE AND LETTING GO WITH SOMEBODY SHOULD

Lilly Moss has released Somebody Should, a moving country-folk song about loving someone enough to let them go. The song was released the same day she opened for Russell Dickerson at Musikfest in her hometown of Bethlehem, Pennsylvania.

Written by Dan Wilson, Ben Williams and Avery Anna, and produced by Eric Torres, the ballad pairs lush guitars and wistful mandolin with Lilly’s sensitive vocal performance.

The single follows Death of Me and is her second release since joining Music City Power Company. Lilly previously joined Russell Dickerson for a duet at the Grant Thornton Invitational gala.
